HOW TO CREATE AN FSUID

Students who are admitted to FSU and plan to attend the University must create a permanent FSUID. The FSUID is a unique login that provides students with an official FSU email account, access to the University network, Canvas, myFSU portal, and course registration. Students will also need an FSUID to register for orientation and to complete a housing contract.

Students who accept a Summer, Seminole Pathways or Spring offer from FSU should wait two business days before trying to activate their FSUID.

Below is essential information that students must follow to activate their permanent FSUID:

1) Log in to my.fsu.edu.

2) Under the garnet Sign In button, click on Activate/Manage FSUID.

3) On the **FSUID Management** page, as a new or first-time user, click **Activate Your FSUID** under New Account.

5) At the **FSUID Activation** screen, enter the EMPLID, First Name, Last Name and Date of Birth - all four fields are required. You can access your EMPLID by logging in to your <u>Application Status Check</u> page. Then click **Continue**.
